Research Grants

Principle Investigator:

1. 2013-2016, *Study on the Mechanism of Intergenerational Exchange in Elderly Extended Family and Healthy Consequences*. Funded \$86,000. National Natural Science Foundation of China(71273205)
2. 2011.12 – 2012.12, *Study on situation of Aging population and Old-age security in Shaanxi Province*. Funded \$3,200. Bureau of Statistics of Shaanxi Province, China (S2012WZ007)
3. 2009-2011, *Dynamic Age Pattern of Intergenerational Exchanges among Older Persons in Rural China: Life course perspective*. Funded \$27,000. National Natural Science Foundation of China(70803039)

Co-PI:

1. 2012.9-2013.10 “Intergenerational Support and the Experience of the Elderly at the End of Life: An Extension of A Longitudinal Study in Rural China.”, funded by the Advisory Committee of Stanford’s Center for Demography and Economics of Health and Aging (CDEHA) of the USA (Marcus W. Feldman, PI, Shuzhuo Li and Dongmei Zuo, CIs)

Honors

1. Excellent paper Paper presented at XXVII IUSSP International Population Conference, Gerontological Society of China, 2013.
2. 3rd prize in “Humanities and Social Science Excellent Research Achievement Competition in Unviersityies in Shaanxi Province”

Workshops & Seminars

1. Survey Methodology and Quantitative Analysis Laboratory (SQL) of University of Michigan-Peking University Joint Institute Summer Program, Beijing.
2. June 16-18th,2008, attended 3rd National Gerontology and Aging Policy Seminar, Beijing, China.

Papers Presented at Professional Conferences:

1. Zuo, D., Wang, H. and Li, S. 2016. “Measurement of Quality of Dying and Death(QODD) of Elderly in Rural China” Paper presented at *the conference of Conference on Chinese Gerontology Discipline Construction*. 20-21 May, Beijing, China.
2. Zuo, D., Li, S. and Feldman, M.W. 2013. Adult Children’s Care for the Elder Parents at the End of Life in Rural China: Study based on a long-term longitudinal Surve. Paper Presentation at the Shorenstein Asia-Pacific Research Center, Asia Health Policy Program (AHPP) Seminar at Stanford University. May 30th, Stanford, USA.
3. Dongmei Zuo, Shuzhuo Li. 2010. “Age Pattern of Intergenerational Exchanges among Older Persons in Rural China: A life course perspective” Paper presented at *the conference of Intergenerational Family Support for Chinese Older Adults: New perspective in Chinese culture and society*.6-8 May, Los Angels, USA.
4. Zuo, D., Wu, Z. and Li, S. 2010. “Age and Intergenerational Exchanges (IE) of the Elderly in Rural China ” Paper presented at the 1st Asian Population Association Conference. 16-20 November, New Delhi, India.
5. Dongmei Zuo, Shuzhuo Li. 2008. Gender, Migration and Well-being of the Elderly in Rural China. Paper presented at *the 4th Chinese Gerontologist Forum*. 30 December, Beijing.
6. Dongmei Zuo, Shuzhuo Li. 2007.Factors Affecting Rural Elderly’s Willingness to Enter the New Type Elder Homes in Rural China. Paper presented at *the 8th Asia/Oceania Regional Congress of Gerontology and Geriatrics*. 22-25 October, Beijing.

Reviewer for Grants & Journals

2014 till now: Grant reviewer of National Natural Science Foundation of China

Journal of Gerontology: Social Sciences

Aging and Mental Health

Journal of Ethnic & Cultural Diversity in Social Work

European Journal of Ageing

Asian Population Studies

Research Interests

Research field is focused on social gerontology, aging and health, life courses, and social public policies.

Teaching

Undergraduate Teaching:

1. Introduction to Statistics for Social Sciences,
2. Statistical Software Applications (STATA)
3. Introduction to Demography
