### *Mechanisms Motivating Intergenerational Support*

**Martin Lakomý**

Fulbright Visiting Scholar  
Syracuse University

Martin Lakomý is a Fulbright Visiting Researcher at Aging Studies Institute, primarily located as an Assistant Professor at the Faculty of Business and Economics of Mendel University in Brno. Lakomý uses quantitative methods to examine the social consequences of population aging in family and labor market behavior, and their connection to value changes. <https://asi.syr.edu/person/martin-lakomy/>
