Papers

---- Erin Bisesti and Scott Landes “Intellectual Disability, Education, and Birth Cohort: An Intersectional Approach” (work in progress)

Research

Syracuse University, Department of Sociology, May 2019 - July 2019

Research Assistant

- Create codebook for 10-12 state-level data variables
- Confirm data accuracy
- Organize and check data to be used in data repository

University of North Florida, Department of Sociology, January 2017 - January 2018

Research Assistant

- Transcribe and code qualitative interviews pertaining to the culture and development of Aspen, Colorado and contribute ideas about what it means to “keep Aspen, Aspen” in terms of community, culture, and inequality
- Travel to Aspen to continue to explore how members of the middle-class understand, resist, and accommodate themselves to the profound inequality in their community

University of North Florida, Department of Sociology, January 2017 - December 2017

Direct Independent Study

- Explore key issues of race, racism, and racial inequality using empirically based research and an intersectional lens

Invited Lectures

2016: Guest lecture on “The Cost of College” given to SOC 101, Introduction to Sociology, University of North Florida

2017: Guest lecture on “The Cost of College” and “The Iceland Institute: Exploring Iceland’s Economic, Political, and Social Well-being” given to SOC 101, Introduction to Sociology, University of North Florida
