

## Jenna L. Wells, Ph.D.

Department of Psychology  
College of Human Ecology  
G207 Martha Van Rensselaer Hall

[jenna.wells@cornell.edu](mailto:jenna.wells@cornell.edu)  
Cornell University  
Ithaca, NY 14850

### ACADEMIC APPOINTMENTS

---

2023 - Assistant Professor of Psychology, Cornell University

### EDUCATION

---

2023 Ph.D., Psychology, University of California, Berkeley  
2019 M.A., Psychology, University of California, Berkeley  
2014 B.S., Clinical Psychology & Environmental Studies, Tufts University

### PUBLICATIONS

Greater experience of non-target negative emotions in patients with neurodegenerative diseases is related to lower emotional wellbeing in caregivers. *Dementia and Geriatric Cognitive Disorders*, *44*(5-6), 245-255.
- Scholz, J., Rathmell, J. P., David, W. S., Chad, D. A., Broderick, A. C., Perros, S. G., Shin, N. S., **Wells, J. L.**, Davis, J. B., DiMaggio, C. J., Wang, S., Tate, S. N. (2016). A standardized clinical evaluation of phenotypic diversity in diabetic polyneuropathy. *Pain*, *157*(10), 2297-2308.

### Under Review

- Lai, J., Otero, M. C., Chen, K.-H., **Wells, J. L.**, Levenson, R. W., Fredrickson, B. L. (under review). Positivity resonance and its association with synchronous nonverbal affiliative behaviors and perceived lovingness in long-term married couples.

### In Preparation

- Chen, K.-H., Merrilees, J. J., **Wells, J. L.**, Yee, C. I., Chen, Y., Hua, A. Y., Grimm, K. J., Levenson, R. W. *The experience of anger among dementia family caregivers.*
- Chen, K.-H., Scheffer, J., Chen, Y., Yee, C. I., **Wells, J. L.**, Lwi, S. J., Grimm, K. J., Merrilees, J., Levenson, R. W. *The link between diminished preparatory physiological responses in persons with neurodegenerative diseases and lower emotional well-being in their caregivers depends on the quality of their relationship.*
- Chen, Y., Chen, K.-H., **Wells, J. L.**, Yee, C. I., Levenson, R. W. *Physiological linkage predicting 10-year health changes in long-term married middle-aged and older couples.*

- Gad, D., **Wells, J. L.**, Piechota, A., Feeney, B., Birditt, K., Marottoli, R., Monin, J. K. *Adult Children's Positive Affect Expression during Play Interaction with Their Parents Living with Memory Loss: Dyadic Associations with Psychological Well-being.*
- Scheffer, J., **Wells, J. L.**, Yee, C. I., Chen, Y., Heath, D., Levan, D., Merrilees, J., Levenson, R. W. *Lower income caregivers of people with neurodegenerative diseases do not improve on emotional well-being once caregiving is over.*
- Wells, J. L.**, Heath, D., Yee, C. I., Chen, K.-H., Merrilees, J. J., Levenson, R. W. *The unique role of anger in the mental illness of caregivers of people with dementia.*

## **FELLOWSHIPS & AWARDS**

---

- 2023 Outstanding Flash Talk, Society for Affective Science, Positive Emotion Pre-Conference
- 2023 Graduate Division Travel Grant, University of California, Berkeley
- 2021 F31 Predoctoral Individual National Research Service Award (AG07289), National Institute on Aging
- 2020 Sheldon J. Korchin Prize in Clinical Psychology, University of California, Berkeley
- 2020 Summer School in Neuroscience and Neuroeconomics Scholarship\*, National Institute on Aging \*cancelled due to COVID-19
- 2019 Graduate Division International Travel Grant, University of California, Berkeley
- 2018 T32 Predoctoral Training Consortium in Affective Science (MH020006), National Institute of Mental Health
- 2018 RAND Summer Institute Scholarship, National Institute on Aging
- 2017 Hornaday Graduate Research Fellowship, Greater Good Science Center

## **PRESENTATIONS**

---

### **Oral Presentations**

- Wells, J. L.**, Haase, C. M., Rothwell, E. S., Naugle, K. G., Otero, M. C., Brown, C. L., Lai, J., Chen K.-H., Grimm, K. J., Levenson, R. W., Fredrickson, B. L. (2023, March). *Positivity resonance in long-term married couples: A matter of life and death.* Society for Affective Science, Positive Emotion Pre-Conference. Long Beach, CA.
- Wells, J. L.**, Haase, C. M., Rothwell, E. S., Naugle, K. G., Otero, M. C., Brown, C. L., Lai, J., Chen K.-H., Grimm, K. J., Levenson, R. W., Fredrickson, B. L. (2022, April). *Positivity resonance in long-term married couples: Multimodal characteristics and health consequences.* Society for Affective Science. Virtual.
- Wells, J. L.**, Chen, K.-H., Merrilees, J. J., Levenson, R. W. (2021, April). *The unique role of anger in the mental health of dementia caregivers.* Society for Affective Science. Virtual.
- Wells, J. L.**, Haase, C. M., Rothwell, E. S., Otero, M. C., Lai, J., Brown, C. L., Chen, K.-H., Connelly, D. E., Levenson, R. W., Fredrickson, B. L. (Scheduled for May 2020 – cancelled due to COVID-19). *Positivity resonance: Micro moments of connection with long-lasting health benefits.* In R. Levenson (Chair) "Couples and Health: Interpersonal Processes in Psychological and Physical Well-Being." Association for Psychological Science. Chicago, IL.
- Wells, J. L.**, Rothwell, E. S., Connelly, D. E., Chen, K.-H., Brown, C. L., Lai, J., Otero, M. C., Levenson, R. W., Fredrickson, B. L. (2019, July). *Modeling positivity resonance as a*

- latent construct to predict concurrent and longitudinal marital satisfaction.* In B. Fredrickson (Chair) “Love is a Many-Splendored Thing: Empirical Evidence that Positivity Resonance Matters within Long-Term Marriages.” Invited Founding Researchers Symposium at the 6<sup>th</sup> World Congress on Positive Psychology. Melbourne, Australia.
- Wells, J. L.,** Rothwell, E. S., Connelly, D. E., Chen, K.-H., Brown, C. L., Lai, J., Otero, M. C., Levenson, R. W. Fredrickson, B. L. (2019, May). *Positivity resonance: Building blocks for social connection.* Bay Area Affective Science Consortium. Berkeley, CA.
- Wells, J. L.,** Brown, C. L., Hua, A. Y., Soyster, P. D., Chen, K.-H., Coppola, G., Haase, C. M., Levenson, R. W. (2019, March). *Caregivers’ 5-HTTLPR genotype moderates the effect of patients’ empathic accuracy deficits on caregivers’ ill-being.* Society for Affective Science. Boston, MA.
- Wells, J. L.,** Hua, A. Y., Levenson, R. W. (2018, September). *Poor emotion suppression is associated with increased anxiety in caregivers of patients with neurodegenerative disease.* UC Berkeley Clinical Science Colloquia. Berkeley, CA.
- Wells, J. L.,** Hua, A. Y., Levenson, R. W. (2018, April). *Poor emotion suppression is associated with increased anxiety in caregivers of patients with dementia.* Society for Affective Science. Los Angeles, CA.
- Wells, J. L.,** Hua, A. Y., Levenson, R. W. (2017, March). *Resting heart rate, but not heart rate reactivity, is associated with caregiver mental health.* UCSF Memory & Aging Center – UC Berkeley Psychophysiology Laboratory Joint Meeting. San Francisco, CA.

### **Poster Presentations**

- Wells, J. L.,** Roubinov, D. S., Crosswell, A. D., Gordon, A. M., Mendes, W. B. (Scheduled for April 2020 – cancelled due to COVID-19). *Daily emotional experiences mediate the relation between early childhood adversity and depressive symptoms in adulthood.* Society for Affective Science. San Francisco, CA.
- Wells, J. L.,** Brown, C. L., Hua, A. Y., Chen, K.-H., Haase, C. M., Levenson, R. W. (2017, October). *Caregivers’ 5-HTTLPR genotype moderates the impact of patients’ empathic accuracy deficits on caregivers’ mental health.* American Psychosomatic Society Mid-Year Meeting. Berkeley, CA. [selected for data blitz presentation]
- Wells, J. L.,** Verstaen, A., Lai, J., Levenson, R. W., Fredrickson, B. L. (2017, July). *Behavioral synchrony as an indicator of positive emotional well-being in dementia patients and caregivers.* Science for Scientists Pre-Congress, World Congress on Positive Psychology. Montreal, Canada.
- Wells, J. L.,** Hua, A. Y., Levenson, R. W. (2017, April). *Heart rate response to startle: Association with depression in caregivers.* Society for Affective Science. Boston, MA.
- Wells, J. L.,** Butovsky, O., Fanek, Z., Humbarger, O., Calcagno, N., Atassi, N., Weiner, H., Cudkovicz, M. E., Berry, J. D. (2015, November). *A longitudinal analysis of circulating immune cells in patients with ALS.* Northeast Amyotrophic Lateral Sclerosis Consortium. Clearwater, FL.

### **Co-Authored Oral and Poster Presentations**

- Scheffer, J. A., Yee, C. I., **Wells, J. L.,** Chen, Y., Heath, D., Levan, D. T., Merrilees, J., & Levenson, R. W. (2023, November). *Lower income in caregivers predicts less emotional well-being improvement after caregiving ends.* To be presented in Monin, J. K. (Chair)

- Marital Transitions in Mid and Late Life. To be presented at Gerontological Society of America, Tampa, FL.
- Scheffer, J., Yee, C. I., **Wells, J. L.**, Chen, Y., Heath, D., Levan, D., Merrilees, J., Levenson, R. W. (2023, March). *Lower income in caregivers of people with neurodegenerative diseases is associated with less improvement in emotional well-being after caregiving is over*. Society for Affective Science. Long Beach CA.
- Chen, Y., Chen, K.-H., **Wells, J. L.**, Yee, C.I., Haase, C. M., Levenson, R. W. (2022, February). *Physiological linkage during moments of shared positive and negative emotion predicts 13-year health changes in long-term married middle-aged and older couples*. Society for Personality and Social Psychology. San Francisco, CA.
- Lai, J., Otero, M. C., Chen, K.-H., **Wells, J. L.**, Levenson, R. W., Fredrickson, B. L. (2021, May). *Positivity resonance and its association with behavioral indicators of synchronous nonverbal affiliative cues and partner perceived lovingness*. Association for Psychological Science. Virtual.
- Otero, M. C., **Wells, J. L.**, Chen, K.-H., Brown, C. L. Levenson, R. W., & Fredrickson, B. L. (2019, July). *Behavioral indices of positivity resonance associated with long-term marital satisfaction*. Presented in B. L. Fredrickson (Chair) “Love is a Many-Splendored Thing: Empirical Evidence that Positivity Resonance Matters within Long-Term Marriages. Invited Founding Researchers Symposium at the World Congress on Positive Psychology. Melbourne, Australia.
- Chen, K.-H., Brown, C. L., **Wells, J. L.**, Otero, M. C., Levenson, R. W., & Fredrickson, B. L. (2019, July). *Happy together, hearts beating together: Moments of shared positive affect are associated with greater physiological synchrony between husbands and wives during a conflict conversation*. Presented in B. L. Fredrickson (Chair) Love is a Many-Splendored Thing: Empirical Evidence that Positivity Resonance Matters within Long-Term Marriages. Invited Founding Researchers Symposium at the World Congress on Positive Psychology. Melbourne, Australia.
- Brown, C. L., Chen, K.-H., Otero, M. C., **Wells, J. L.**, Levenson, R. W., & Fredrickson, B. L. (2019, July). *Moments of shared positive affective experience during conflict linked to marital satisfaction*. Presented in B. L. Fredrickson (Chair) Love is a Many-Splendored Thing: Empirical Evidence that Positivity Resonance Matters within Long-Term Marriages. Invited Founding Researchers Symposium at the World Congress on Positive Psychology. Melbourne, Australia.
- Zhou J., Brown C. L., **Wells J. L.**, Levenson R. W., Fredrickson B. L. (2019, July). *When do positive illusions matter? Spouses’ positive illusions about partners’ affective state during conflict compensate for deficits in empathic accuracy*. World Congress on Positive Psychology. Melbourne, Australia.
- Hua, A. Y., **Wells, J. L.**, Brown, C. L., Levenson, R. W. (2019, March). *Cognitive and emotional empathy: Relationships with caregiver mental health*. Society for Affective Science. Boston, MA.
- Chen, K.-H., Brown, C. L., **Wells, J. L.**, Rothwell, E. S., Fredrickson, B. L., Levenson, R. W. (2019, March). *Physiological linkage during moments of shared positive affect is associated with relationship satisfaction in long-term married couples*. Positive Emotions Pre-Conference, Society for Affective Science. Boston, MA.
- Brown, C. L., **Wells, J. L.**, Hua, A. Y., Chen, K.-H, Merrilees, J. J., Levenson, R. W. (2019, March). *Emotional Functioning in Patients with Neurodegenerative Disease is*

- Associated with Caregiver Health*. International Convention of Psychological Science. Paris, France.
- Haase, C. M., Saslow, L. R., Beermann, U., **Wells, J. L.**, & Levenson, R. W. (2018, September). *The serotonin transporter gene and emotional reactivity: Evidence from six independent samples*. German Psychological Society. Frankfurt, Germany.

## **CLINICAL AND SUPERVISORY EXPERIENCE**

---

- 2021 - 2023 Intern, Clinical Psychology Training Program, University of California, San Francisco
- 2019 - 2020 Practicum, Memory and Aging Center, University of California, San Francisco
- 2018 - 2020 Peer Supervisor, Psychology Clinic, University of California, Berkeley
- 2017 - 2019 Trainee, Psychology Clinic, University of California, Berkeley

## **TEACHING EXPERIENCE**

---

**Graduate Student Instructor (UC Berkeley)**

- 2017 Data Analysis (PSY 10/101; Daniel Catterson, Ph.D.)  
*Teaching Effectiveness*: 6.4 out of 7 (department avg: 6)  
 Led 2 weekly sections with a total of 40 undergraduate students; taught statistical reasoning and programming in R; held weekly office hours.
- 2017 Clinical/Abnormal Psychology (PSY 130; Sheri Johnson, Ph.D.)  
*Teaching Effectiveness*: 6.5 out of 7 (department avg: 6)  
 Led 3 weekly sections with a total of 75 undergraduate students; taught etiology descriptions, and diagnosis of mental disorders; held weekly office hours.
- 2018 Clinical/Abnormal Psychology (PSY 130; Robert Levenson, Ph.D.)  
*Teaching Effectiveness*: 6.3 out of 7 (department avg: 6)  
 Led 3 weekly sections with a total of 75 undergraduate students; taught etiology descriptions, and diagnosis of mental disorders; held weekly office hours.

#### **Academic Resources Tutor (Tufts University)**

- 2012 - 2014 Spanish 1-4, 21-22, 121-122  
 Met with undergraduates one-on-one to address questions and concepts from beginner to advanced Spanish courses. Led activities at weekly language circles.

#### **AD HOC REVIEWER**

---

*Emotion; Affective Science; Journal of Behavioral and Cognitive Therapy*

#### **SERVICE**

---

- 2023 - Programming Committee, Society for Affective Science  
 2022 CPTP Training Director Search Committee, University of California, San Francisco  
 2018 Graduate Student Admissions Committee, University of California, Berkeley  
 2017 - 2018 Clinical Science Colloquium Committee, University of California, Berkeley
